Welcome.

Welcome to the April-May edition of our Palm Lake Resort Banora Point newsletter, 'The Point'.

After a very hot and humid summer, we are looking forward to the cooler months ahead. Autumn is a particularly beautiful time to live in the Tweed, with fewer crowds and clear blue skies making for perfect beach days. We hope you make the most of it!

A friendly reminder that, as outlined in your site agreement, any complaints must be submitted in writing and taken to the office in the first instance. If the matter cannot be resolved there, it can be escalated to the Residents Committee.

Please note that the Residents Committee members – who do a wonderful job – are volunteers, so the office should always be your first point of contact (as per your site agreement).

It's nearly time for the Fire Brigade to attend for our annual smoke alarm battery changeover. I'll advise everyone once a confirmed date has been provided. A sign up sheet will be placed in the Grand Hall for those who wish to participate.

A message from Chontel, our resort hairdresser: "I would like to thank all the people who have sent me messages during my surgery and recovery. It's great to be back at work and seeing all you wonderful people."

We hope you enjoy reading this edition, and look forward to seeing you around the resort.

Until next time,

Wayne and Di

Is yours a house or a home?

Wondering how homely your house is? Tick off each personal touch you can see around your house, then score yourself using the scale below...

0–8 points: Just getting started! Try adding a few personal touches to make your space feel more like home.

9–16 points: You're well on your way. Your home already has plenty of personality – perhaps add a few more memory-filled items or cosy corners.

17–21 points: Lovely and lived-in. Your home clearly reflects your life, interests and memories.

22–25 points: Home sweet home! Your space is full of warmth, stories and personal touches.

Social Committee report.

We had a great night of fun and song at our recent karaoke evening, with 34 smooth singers taking to the mic. With a couple of seasoned performers in the room, the atmosphere was lively, entertaining and a real success.

The U&I Fashion Parade was another standout event, with 53 attendees enjoying a wonderful morning. Our models – Jo, Lidia, Mary and Nanette – showcased their outfits with true flair, strutting their garments like professionals. Morning tea was equally impressive, featuring a delicious spread of sandwiches and cakes.

The much-loved St Patrick's Day Dinner Dance welcomed 63 residents for a fantastic evening. Many embraced the theme, arriving dressed in traditional Irish colours. Rumour has it there were even a few 'little people' spotted out the back with a Blarney Stone – though no green goblins were seen! Our entertainer for the night, Brad Blanck, kept the crowd energised and the dancefloor busy.

A big thank you to everyone who helped set up and pack down – sharing the workload means we can all get to bed a little earlier. Special thanks also to the ladies who wash and iron the tablecloths.

From the Bowls Club.

The summer heat is really affecting all of us, so please remember to hydrate well and wear a hat when on the bowling green.

It has been great to see so many turn up to play bowls both days, and we have only missed Tuesday January 20 due to the weather. We had to make the decision before 8.30am, and it turned out we probably could have got 12 ends in.

The hamburger night on Friday January 19 was very well

attended with 35 enjoying our delicious hamburgers which are purchased for the butcher adjacent to Woolworths in Tweed City.

Our Cane Toads bowls for February 1 has been transferred to an indoor game at Club Tweed from 11am to 1pm due to the expected heat conditions.

Cheers and great bowling,
Glenda Ballard, Secretary

Cut flowers 101.

SPRING ISN'T THE ONLY SEASON FOR FLOWERS. AS WE HEAD INTO THE COOLER MONTHS, FRESH FLOWERS ARE STILL THE PERFECT WAY TO MAKE YOUR PALM LAKE RESORT HOME FEEL ALIVE. CONSIDER THIS YOUR OFFICIAL GUIDE TO THE VERY BEST CUT BLOOMS FOR YOUR HOME – AND OUR TOP TIPS TO KEEP THEM LOOKING FRESH.

Roses

Did you know that roses share lineage with apples, cherries and strawberries? Or that there are over 300 species? One of the oldest known flowers, roses have been used in recipes, cosmetics and rituals for millennia – so naturally, there is a lot of lore that surrounds them. But 'floriography' (communication through flower colours and arrangements) is actually quite simple when it comes to roses and what they symbolise: red means love, yellow means friendship and white means purity. **Keep them fresh:** For longer-lasting roses, trim stems on an angle and change the vase water every two days.

Tulips

Originating from central Asia – particularly Kazakhstan – tulips get their name from the Persian word for turban ('dulband' or 'tulband') for their shape. And they're not just beautiful – for a moment, in the Netherlands in the 17th Century, 'Tulip Mania' made rare tulip bulbs more valuable than gold. They are the national flower of the Netherlands, Turkey and Iran. **Keep them fresh:** Tulips continue to grow after being cut, so choose a taller vase and trim stems regularly.

Hydrangeas

Originating in Japan and Korea, famously spotted in Cape Cod (USA), with a Greek name, hydrangeas are as exotic as they are beautiful. Like roses, their colours signify different meanings – pink means love, blue means forgiveness, white is boastful and purple brings abundance or understanding. They grow beautifully in moderate, moist climates, but green thumbs beware – hydrangeas can release cyanide if ingested. **Keep them fresh:** Hydrangeas are thirsty flowers – keep the vase topped up and mist the blooms to prevent drooping.

Lilies

With over 100 species in a wide range of colours, lilies have maintained their position as one of the most popular flowers since ancient times. As symbols of purity and rebirth, lilies were historically associated with the divine and used in religious ceremonies. Nowadays, you're more likely to see them at weddings – especially trumpet-shaped Calla Lilies, which are having a major moment. They typically last one to two weeks in a vase but beware of fallen pollen and leaves: lilies are highly poisonous for pets if ingested. **Keep them fresh:** Remove the pollen stamens as the flowers open to prevent stains and help blooms last longer.

Chrysanthemums

Commonly known as 'mums', chrysanthemums originated in ancient China as early as the 15th Century BC and also have roots (pun intended) in ancient Greece. Proving their diversity, they're also the national flower of Japan. In Australia, chrysanthemums are often given for friendship and Mother's Day, though red mums can symbolise love and passion. Did you know that their scent can deter insects? All the more reason to include this easy-to-care-for flower in your next bouquet. **Keep them fresh:** One of the longest-lasting cut flowers, mums can stay fresh in a vase for up to two weeks.

Dahlias

The national flower of Mexico, dahlias were once cultivated by the Aztecs – not just for their beauty, but for food and medicinal purposes. In fact, they were thought to be vegetables when they were first introduced to Europe. But their versatility doesn't stop here: dahlia stems were once

tested as natural water pipes in Mexico, and their petals have long been used as natural dyes. Dahlias are more than just a pretty face, it seems! **Keep them fresh:** Dahlias are best bought fully open, as they won't continue blooming once cut.

Peonies

When properly cared for, peonies can live for 100 years – a good omen, since they're also symbols of prosperity, fortune and romance. In fact, there is a famous 1000-year-old peony tree that still flowers in China, as well as many annual peony festivals. Fun fact: Peonies come in every colour but blue, making them a diverse addition to any bouquet or arrangement. Another fun fact: the correct pronunciation is more like 'peer-knee' than 'pee-oh-knee'. **Keep them fresh:** Peonies have a short season in Australia – usually late spring – so enjoy them while they're available.

Carnations

Not to be confused with peonies, which are larger and more spherical in full bloom, carnations are distinctive for their ruffled, fringed petals. Native to the Mediterranean region, the name carnation has several possible origins – the Latin word 'corona' (crown) for its use in ceremonial wreaths, or 'caro' (flesh), a nod to its natural colour. Often associated with love and admiration, carnations are popular around special occasions like Mother's Day and Valentine's Day. **Keep them fresh:** Carnations are hardy, often lasting two weeks or more with fresh water and trimmed stems.

Orchids

They're part of one of the largest flowering plant families, with over 28,000 species – and 192,000 hybrids – worldwide. In fact, orchids are more diverse than all mammal special combined. The most common types include moth orchids, corsage orchids and cymbidium orchids, all of which are popular in both fashion and home styling. Eager to grow your own orchids? Quality potting mix and a consistent watering schedule matter. **Keep them fresh:** Potted orchids thrive in bright, indirect light and only need watering about once a week.

Best buds for small yards.

TO ENJOY BIG REWARD FROM YOUR GARDEN, YOU DON'T NEED A SPRAWLING LAWN OR LARGE GARDEN BEDS. FOR THOSE LIVING IN A PALM LAKE RESORT, HERE ARE THE THREE BEST WAYS TO BRING POTTED COLOUR AND FLOWERING JOY TO YOUR LOW-MAINTENANCE HOME.

With the right plant choices, even the smallest yard, balcony or undercover outdoor living area can burst with colour. If you only have room for pots, it helps to know which flowering favourites thrive in our warm, coastal climates.

Let's begin with begonias, a wonderful all-rounder for compact spaces. These hardy bloomers are well suited to the humidity of our Queensland and Northern New South Wales resorts and perform beautifully in part shade or filtered sunlight. Their neat growth habit makes them ideal for pots, and they reward gardeners with months of continuous colour from spring through to autumn – sometimes even year-round in milder conditions. Best of all, they're low maintenance, making them perfect for those who want vibrant blooms without constant attention.

For sunny Palm Lake Resort patios and balconies, geraniums (Pelargoniums) are a classic choice. Their bold flowers in reds, pinks and whites instantly brighten any outdoor setting. Once established, they're relatively drought tolerant (which suits our warm summers) and cope well with light coastal breezes. Geraniums stay compact and respond well to pruning, so they're easy to keep tidy in containers. Some varieties even feature fragrant leaves, adding an extra sensory delight to your outdoor space.

If you have a hot, sun-drenched corner, portulaca (Moss Rose) is hard to beat. This cheerful plant thrives in full sun and produces masses of colourful blooms with very little effort. It's particularly well suited to shallow pots or hanging baskets, where its trailing stems spill beautifully over the edges. Portulaca is also tolerant of sandy conditions and salty air, making it an excellent option for homes close to the ocean.

Whatever you choose, remember to use quality potting mix, ensure good drainage and position your pots where they'll receive appropriate sunlight and protection from wind. With just a few well-chosen containers, you can create a vibrant, low-maintenance garden oasis — no large backyard required.

Cash buyers await.

Over the back fence.

THE PALM LAKE GROUP SPANS 27 RESORT ADDRESSES ACROSS THREE STATES AND SOME 12,000 PEOPLE CALL PALM LAKE GROUP HOME, SO THERE IS ALWAYS PLENTY OF GOOD NEWS AROUND OUR GROUNDS.

Caretakers make the Palm Lake world go 'round!

Every Palm Lake Resort community has an onsite Caretaker (or two) at the helm, managing the day-to-day operations at that address. They oversee local teams of groundspeople, cleaners, cooks and more. Many Caretakers in our established resort communities also facilitate home sales, while also rolling up their sleeves when it comes to serving weekly dinners, for example. They are the first port of call for homeowner queries and oversee all the various local resort special interest groups. They are also an important conduit between Palm Lake Resort headquarters at Southport and their respective local address. They are the glue that holds each of the country's 27 resorts together.

As Palm Lake Group's Executive Manager, People & Operations, Amanda Clements says, "We are very grateful to have a wonderful group of dedicated and long-time Caretakers across our 27 resort addresses". And when she says "long time" – she means it.

For example, Lea has spent most of her 17+ years with the company in the Caretaker role across Victoria but moved into a sales role at **Willow Lodge** more recently. She and (late) husband, Peter, were Caretakers together at **Phillip Island** for 13+ years before Peter's illness (pictured above).

"For all the years we were at Phillip Island we were it – sales and Caretaking – we did the lot," Lea smiles. "Our motto was to show compassion and give the homeowners the time they needed, and to listen. But above all, our aim was always to leave them with a smile on their faces.

"Peter and I built great relationships with our homeowners and helped them as much as we could while always being mindful there was that line, as Caretakers, we couldn't cross. I still live at Phillip Island and see some of the homeowners down the street – they always stop to say hello, and it feels great that we are both still remembered at the Phillip Island resort."

Lea says her advice to new Caretakers and those looking to join the company in this role, is simply to listen. Always.

"A problem that seems small to us can be huge for a homeowner – also, you should never forget that everyone at Head Office and all our fellow Caretakers are always

there to answer any questions you may have – you don't have to do it all on your own.

"When we joined Palm Lake Resort back in 2008, the company was much smaller. I am still in awe of the growth of the company that Wal Elliott founded all those years ago. I have always felt that under the guidance of Wal and Scott Elliott we are one big family – a family that I am happy and grateful to still be a part of. Work has been my saviour. And hopefully I still have a few working years left in me!"

Caretaker Michaela at **Palm Lake Resort Eagleby Heights** is also coming up to 17 years with the company. Caretakers at **Mt Warren Park**, Trish and Rik, will soon commemorate 14 years, while Wayne and Di (**Banora Point**) and Robyn and Bernie (**Yamba**) have all marked a decade or more.

With nine years in the company, current **Palm Lake Resort Paynesville** Caretakers Jo and Troy were married while caretaking at our **Truganina** resort some years back. Jo gave her beloved homeowners a glimpse into the highly anticipated wedding day by coming into work in her wedding dress! And we know that many of our long-time Caretakers are well respected by their communities based on the feedback we hear direct from those homeowners. At **Palm Lake Resort Carindale** for example, the homeowners got together last year and created a 'contract' that they presented to Caretakers Karen and Wayne stating that "The undersigned are committed to us at Palm Lake Resort Carindale and will never leave!". The pair were "so touched" by the gesture, that Karen says, "Of course we put our autographs on that document!"

Honourable mentions must also go to the following Caretakers who've marked 5+ years in the role:

- Ron and Jo (**Fern Bay**): 7 years
- Karen and Mark (**Toowoomba**): 6 years
- Tracey and Bryce (**Forster Lakes**): 5 years
- Kym (**Yamba Cove**): 5 years
- Phil and Lyn (**Deception Bay**): 5 years

Without doubt, Caretakers underpin the success of our Palm Lake Resort communities and we're grateful to have them onboard!

Love is in the air.

Palm Lake Resort Forster Lakes has hosted lawn bowls games, Happy Hours, and now... a wedding! Jessica Nye, daughter of homeowners Steve and Linda, wed her groom, Haylan, at Forster Lakes' Reception Centre in front of their special people (pictured below left). Over at **Palm Lake Resort Waterford**, Roy and Trish (pictured below right) utilised the lush green grounds of their resort to be officially wedded. We wish all the Palm Lake newlyweds wonderful marriages and rewarding lives together!

Tai chi champions.

Congratulations to **Palm Lake Resort Mt Warren Park**, who were the grand winners of the 2025 Inter-Resorts Tai Chi Competition. With steady hands, great teamwork and plenty of laughs, they won with a grand total of 5903 points (beating second-place team's 4480 by a wide margin). "They showed obvious skill and determination, with lots of laughs, to come out on top," says the instructor on the day. And spoiler alert: they're already leading the 2026 competition!

Paws on parade.

A group of **Palm Lake Resort Bargara** homeowners have started walking their dogs over to Palm Lake Care Bargara each month to let the care residents enjoy some friendly canine company and pet therapy. Everyone loves patting the doggos and chatting with the visitors – though few are as excited as the dogs themselves!

It takes a village.

Palm Lake Resort Cooroy-Noosa's latest cent auction raised over \$3100, with the majority going to Uniforms 4 Kids (U4K) – an organisation which repurposes pre-loved uniforms into clothes for children in need.

"Thank you, thank you, thank you to everyone who helped with, attended and donated goods to the cent auction," said organiser and homeowner Yvonne Pattinson. "The sewing ladies truly did themselves proud with the beautiful food. I'm sure everyone had a great day."

The impact of this fundraising is already being felt well beyond the local community. According to a statement from the Queensland Police Service, Cooroy U4K volunteers have worked tirelessly to prepare 40 boxes of essentials for Queensland families. The boxes contained an extraordinary 3200 handmade clothing items, lovingly transformed from repurposed police uniforms into dresses, skirts, shorts, baby clothes, hair accessories, scrunchies, pencil cases and library bags. The boxes were also filled with generously donated items such as baby socks, beanies, small bags of LEGO parts, stationery, bracelets, toys and tissues.

WE LOVE OUR
FOUR-LEGGED
RESORT
FRIENDS!

Must love dogs.

The very first **Palm Lake Resort Toowoomba** dog show brought homeowners and their four-legged friends together for a day of laughter, wagging tails and the occasional bark of excitement. Sponsored by the Palm Lake Group, the inaugural event was such a success that it's set to become an annual tradition.

What's over your back fence?

Has your resort got a warm and fuzzy "Over the back fence" story to share with the whole Palm Lake Resort group? We'd love to include it in the next editions of our resort newsletters. **Simply contact your Caretakers or email the details to Belinda at belinda@bellepr.com**

Connect,
for life.
