Palm Lake Resort homes for sale

Do you know someone looking to move? We might have just the abode for them...

Welcome.

Welcome to the latest edition of the Eagleby Star. What a mixed bag of weather we have been seeing over the last month.

We all faired pretty well during Cyclone Alfred, and thankfully the power was restored within a short time - especially compared to other people in this area. I think we all coped very well under the circumstances. Having never been through a cyclone event before, I understand the need for preparation and we were ready for anything that could have happened (but luckily didn't!). I still don't understand the need for extra toilet rolls! It was like the COVID pandemic all over again.

Just a couple of reminders: please remember that you are not allowed to park your vehicle under the portico at the Summer House. Also, please do not park in front of the groundsman's shed at Lakeview, especially during his working hours (7am to 3pm, Monday to Friday).

As always, remind your visitors, carers, tradesmen and delivery drivers that the speed limit in the resort is 10 kilometres per hour.

Congratulations to Ann and her helpers who put on the Biggest Morning Breakfast in March. You can see a photo on Page 5. They have raised \$1600 so far, with another breakfast coming up on May 10. Please support this breakfast, as it is for a very good cause - the Cancer Council's ongoing research and support for patients and their families.

Take care and see you around the resort,

Michaela Gee

Volunteers needed

The workshop has been participating in a program with some of the children from our neighbouring school. Unfortunately, after 14 years in this program, they are finding it difficult to get helpers to assist. The kids love the class and consider it a privilege to attend. This term they have had to cut the class from 6 to 5 to accommodate the available helpers. We would hate to see this having to end due to lack of help from residents. If you are willing to assist on a Wednesday afternoon, during term time only. Please contact me for more information. Please do what you can to keep this worthwhile activity going.

Medical & Disability Aids Register

A number of homeowners have asked me if I know of anyone who can lend them equipment for them to use after having a knee or hip operation. Through the generosity of our residents, I have made up an extensive list for anyone needing to loan this equipment. If you need anything after an operation, contact me and I will put you in touch with the owner of whatever it is that you require.

Autumn's here, and it's Your Time

It's the start of a new season and that means there's a new edition of *This is Your Time*, our company magazine, hitting mailboxes around the nation. In this edition, let us introduce you to Mirador Wellness Centre which is part of Palm Lake Resort Pelican Waters. Mirador is the largest and most opulent over-50s wellness centre in the Southern Hemisphere. We couldn't be prouder of this one - it's a showstopper. We've actually taken that wellness theme and sprinkled it right throughout this magazine edition. Learn more about all those wellness therapies that are 'trending' right now (spoiler alert: they aren't 'trending' as much as they are here to stay!) and why you should incorporate a little more wellness into your daily life. We also catch you up on the progress we're making on our construction sites. If you haven't received a hard copy in your mailbox, you can always read it online at palllakeresort.com.au

Salon specials

This April, our resort salon is celebrating Easter with a special: three free foils with any colour service. Then, in May, they're celebrating Mothers' Day with a style cut and blow dry, eyebrow wax or eyebrow tint and a hot towel treatment with massage for \$65. Call the salon at 3489 7988.

Theirs is a love story for the ages.

LOVE STORIES COME IN ALL SHAPES AND SIZES, BUT FEW ARE AS ENDURING AS THAT OF PALM LAKE RESORT EAGLEBY HOMEOWNERS, JOHN AND JOAN, WHO CELEBRATED THEIR 60TH WEDDING ANNIVERSARY IN MARCH.

It all began in Liverpool, England, in the early 1960s. The school dance was in full swing when John, who was working as a roadie for the band that night, spotted Joan across the dance floor. He winked at her and, as he fondly recalls, “that was it.”

The couple married on March 27, 1965, in Liverpool and soon embarked on their biggest adventure yet - building a family. Over the next few years, they welcomed four children (three girls and one boy) into their world, filling their home with love, laughter and happy family memories.

In 1976, John and Joan made the bold decision to move to Australia, setting out on their next big adventure with their young family in tow. They settled in Sydney’s Neutral Bay, John worked as an engineer, and together, they embraced their new life Down Under.

After more than two decades in Sydney, the couple moved to Queensland in 2000, eventually making Palm Lake Resort Eagleby their home in 2009. Here, they found a warm and welcoming community, forming new friendships while enjoying a well-earned retirement.

Six decades later, family remains at the heart of their lives. Their legacy continues through their six grandchildren and six great-grandchildren, who bring them endless joy. Whether it’s sharing stories, reminiscing about their early days or simply enjoying time together, John and Joan cherish every moment with their ever-growing family.

As they celebrate 60 years of marriage, John and Joan’s love story serves as a beautiful reminder that true love isn’t just about grand gestures - it’s about commitment and sticking by one another’s side.

Congratulations to John and Joan on 60 wonderful years together. Here’s to many more memories to come!

On the social scene.

January saw a plethora of local talent at our Friday night Lakeview Happy Hour: Peter and Brian (part of our ReZident Band) played together; John and Linda played and sang together for the first time; and DJ Trevor had a great night on his keyboard. All had great numbers attending.

Australia Day was celebrated in the Summer House, starting with a concert in the morning. In the afternoon, the Bowls Club had their annual ‘Australia vs. the Rest of the World’ match, which was followed by hamburgers and ice cream.

February saw the ‘Baker Boys Band’ in concert at the Summer House who were enjoyed by a big crowd. The dance floor was packed all night and most did not want to go home!

At the end of February, 50 residents went on a bus trip to the ‘Outback Spectacular’ for a great night of dinner and show.

Ellie from Blonde Chocolate was scheduled to play at Lakeview in early March and our own ReZident Band also played at the Summer House in March.

Looking ahead, April will see our own Anzac Day at the Summer House and sausage sizzle at Lakeview on Sunday April 13. The Villa Draw food night and raffles for Easter will also take place.

The Biggest Morning Tea Cancer Council Fundraiser will be on Sunday May 25, with a breakfast on Sunday March 15 (see right) and Sunday May 10.

Cyclone Alfred did not have much effect on the resort, and we were grateful that management left the Clubhouses open 24/7 over that time. It was particularly good as the power went out in parts of the resort, so residents could go to Lakeview to charge their phones, etc.

Pool group news.

Hi all you Pooligans,

Well, another year has started and not surprisingly the attendance is down a little - due to the Christmas holiday overlap, I suspect.

For all you guys who wish to throw their hat in the ring, we hold an offical pool competition every Saturday at noon in the Lakeview Clubhouse.

It has also been brought to my attention that there is a gathering each Wednesday, again at the Lakeview pool tables. This is not an official pool club event, however there are several men and women who participate. Maybe this is a better option if you are keen to wack a few balls around? All the best and remember, at Palm Lake Resort Eagleby you will always have a seat at the table.

Recent competition results...

January 11: 18 players, outright winners were Roly Fahrenhorst and Boyd Everett.

January 18: 16 players, outright winners were Bill Lamond and Boyd Everett.

January 25: 22 players, with a three-way draw. Winners were Bob Allen and Roly Fahrenhorst.

February 1: 18 players, outright winner were Kevin Swords and Bob Greanleaf.

February 8: 18 players, outright winners were Kevin Swords and Ian Broadfoot.

February 15: 12 players, outright winners were Kevin Swords and John Beattie.

February 22: 18 players, outright winners were Kevin Swile and Karl Vorhauser.

From the HOC President...

As we come to the end of another year on the Home Owners Committee, I am very grateful to the Committee for the huge amount of work we have done this year, including:

- A successful outcome to the revamping of the Croquet Court, to be carried out after the AGM.
- Re-writing the Constitution to now include vital points.
- Revising and updating the Policies and Procedures.
- Facilitating visits from Head Office personnel which produced many items of interest.
- Facilitating visits from Council and government officials, including the new Mayor.
- Facilitating visits from the Fire Department and Aged Care Advocates.
- Lodging submissions to the Manufactured Homes Act with a very successful outcome, the highlight being rent reviews being banned.
- The purchase of new outdoor blinds at Lakeview.
- The purchase of a laptop for our lighting system at the stage in the Summer House.
- The purchase of a new ice making machine for the Lakeview bar, plus a wine cooler and a small safe.
- The removal of the old car outside the Summer House.
- The donation towards the new tiles in the Bowls Club Clubhouse.
- The support of the many groups in the resort with regular payments.
- The yearly \$1,000 donation to the libraries for new books.
- Liaising with Centa Care regarding the \$500 yearly allowance for home works.
- Liaising with the Council regarding the truck noise on Fryar Rd, mowing of the fenceline on the private block of land behind the Summer House and removal of weeds on the lake on the same block.
- Designing, distribution and collation of Maintenance Request Forms.

Leaving the Committee will be Eddie Francis, Sheila Wojtasik, Pam Savage, Maria Licence. Marj Evans and Donna Harvey. Thank you for all your committed work.

Staying on the Committee will be Ann Shannon, Linda Eland. David Ryland, Malcolm Anson, Loretta Stasi and Bill Lamond. Thanks to them also.

Joining the Committee will be Kerryn Broadfoot, Peter Noll, Mary Hedge, Colleen Browning and Cath O'Connor.

As always, a huge thanks to our band of volunteers throughout the whole resort.

Ann Shannon
Home Owners' Committee President

Working wonders.

The annual general meeting of the workshop group was held on Tuesday March 4. The committee that was elected to manage the workshop on behalf of Palm Lake Resort Eagleby for the next year is...

- **Chairperson:** Leo Ossendryver
- **Deputy Chair:** Roly Fahrenhorst
- **Treasurer:** Rod Heller
- **Secretary:** Bob Beattie
- **Workshop Maintenance Manager:** Graeme Mant-Old
- **Deputy Maintenance and Safety Officer:** Kevan O'Neill
- **Committee:** Nigel Harvey, Mel Savage, Dave Redmond and David Murphy

Residents, and particularly those residents who have recently moved into our resort, are reminded that the workshop is provided and supported by Palm Lake Resort. Access is available to all once a safety induction is undertaken. Membership of the workshop group, and access, can be arranged by contacting any of the committee members.

There is a range of woodworking and metal work machines including a table saw, both wood and metal lathes, sanders, planer, thicknesser, cut-off saws and welders.

Training in the use of these machines can be provided if required. We also have a range of hand tools which members can borrow for home projects.

As a community project we mentor Grade 6 children from Eagleby State School in the use of woodwork hand tools. Over a term each student completes three projects under the guidance and supervision of a workshop member. We are always looking for volunteers to help with this activity. Please let any committee member know if this is something you may be interested in.

Apart from the productive side, the workshop provides a wonderful social outlet and another opportunity to meet with like-minded people.

The workshop in not a "men's shed" – it is open to **all residents!**

Bowls Club report...

Here we go again - we're already in March! We are very fortunate to have our covered bowls green as the weather has been difficult, to say the least.

Our Australia Day competition was very successful: 'The Rest of the World' beat Australia by 50 points. I think a few ring-ins joined the world team, but all in all a good day had by all - ending with hamburgers and ice cream, of course. Many thanks to Niagra for their support on the day.

Our first away game was played against Waterford and unfortunately, they won (with home advantage).

The Championship Triples was played and won by Lorna, Rod and Ross. Congratulations to you all!

We also hosted Ruby Gardens for a game here, with Palm Lake Resort Eagleby coming out on top.

The next major day on March 12 was a self-selected triples tournament, supported by Neomax. What a day we all hard! It was a good escape after the floods. The winners and losers:

- **The winners of the winners:** Grace, Rusty and Allan Carol
- **The winners of the losers:** Rod and Dave

Congratulations to all - not to mention Andrew Bullas from Neomax, a first time player who has a good future in bowls.

At the time of writing, we will soon enjoy an away game at Hervey Bay on March 16, followed by games at Ruby Gardens and Opal Gardens.

Then, it will be time for the Gold Resort Challenge at Eagleby. One to watch, to be sure!

Cheers everyone,

Chris Lee

Over the back fence.

THE PALM LAKE GROUP SPANS 30 RESORT ADDRESSES ACROSS THREE STATES AND SOME 10,000 PEOPLE CALL PALM LAKE GROUP HOME, SO THERE IS ALWAYS PLENTY OF GOOD NEWS AROUND OUR GROUNDS. IN THIS REGULAR SERIES, WE SHARE WITH YOU SOME STORIES OF WHAT YOUR FELLOW PALM LAKE RESORT 'FAMILY MEMBERS' HAVE BEEN UP TO RECENTLY - WHETHER THEY'RE JOINING FORCES TO DO GOOD IN THE GREATER COMMUNITY OR JOINING FORCES FOR FUN. ACROSS ALL OUR PALM LAKE RESORTS, 'PEOPLE' REALLY ARE OUR SUPERPOWER!

Palm Lake Care needs you.

As you know, the Palm Lake Group portfolio includes more than two dozen over-50s resort communities as well as seven aged caring communities across Queensland's south-east corner.

While our Palm Lake Care teams provide highly reputable 24-7 nursing support and engaging Lifestyle programs, they are currently on the hunt for community volunteers. In each community, these volunteers can choose to spend one-on-one time with the residents or support our teams in running group activities and excursions etc.

Palm Lake Resort Beachmere Bay's Robyn Crosbie says she loves nothing more than volunteering her time at Palm Lake Care Beachmere's aged caring community which is conveniently across the road from her resort.

"I've been volunteering there every week for the past six years, helping the Lifestyle Team facilitate their activities program," she smiles.

For example, you can find Robyn going on bus trips with the residents - taking them out to lunch and on scenic drives, sometimes also to church.

"Volunteering is not for everyone but I love it. My Dad was in aged care for seven years so I'm very used to the setting," Robyn explains. "I love a chat and find it very easy to talk to the residents. I love listening to their stories and they love listening to mine."

If you're based nearby one of our seven Palm Lake Care communities and would like to assist as a volunteer, we encourage you to make an inquiry. Simply visit www.pallmlakecare.com.au and you'll find all the contact details you'll need there.

Lucky Phil.

Palm Lake Resort Eagleby homeowner Phil McDonald has just celebrated his 100th birthday! The Eagleby community knows Phil as an avid (lead) bowler. He's a favourite teammate among the skips, always close to the jack. Even if his bowl lands just a few feet out, he curses himself, though most of us would be thrilled to bowl as well as he does! His dedication to the game has undoubtedly kept him active and young at heart. At this rate, we wouldn't be surprised if he's still bowling at 110! Congrats to Phil, from all across the Palm Lake Group!

100
YEARS
YOUNG!

D-Bay delight.

It's been a record-breaking year for the charitable bunch at Palm Lake Resort Deception Bay. In 2024, they recycled a record 39,141 containers and donated more than \$3900 to Farm Angels (Farm Angels provides support to rural communities in time of flood, fire, drought and plagues). They also collected and donated items for hampers for the needy over the festive season, supporting organisations such as Community Care Network and The Lighthouse. Go team!

Homeowner golfers unite on the green.

GOLF IS DEFINITELY ONE WAY THAT OUR HOMEOWNERS BOND ACROSS RESORT ADDRESSES - AND THE MOST RECENT PALM LAKE INTER-RESORT GOLF CLASSIC IS PROOF OF THIS.

For the third successive year, Caloundra Cay golfers won the Palm Lake Resort Cup, but this time it was by the skinniest of margins. The winning resort team score was 60.32 (Caloundra Cay) over Pelican Waters (60.857) and Beachmere Bay (61.0). Golfers from Palm Lake Resorts at Pelican Waters, Toowoomba, Cooroy-Noosa, Beachmere Sands, Beachmere Bay, Hervey Bay and Caloundra Cay took part in the annual event, teaming up at the superb Pelican Waters Golf Course which is owned and operated by the Palm Lake Group.

And despite an absolute drenching in the days leading up to the event – which had been abandoned five days earlier – the course was presented in unbelievably good condition for the 31 teams and 120 individuals representing Palm Lake Resort homeowners.

Competing in a four-person Ambrose, the Beachmere Bay team of Graeme Clark, Michael Gregory, Stephen Walton and Ronald Rosenberger won the day, returning a nett score of 58.625. The Pelican Waters group of Steve Whitehead, Brendan Francome, Glenn Stamp and Ronald Wilkins (59) finished second, and Caloundra Cay's Ian Chew, Heather Busch, Trish McConnell and Terry Jones (59.625) came in third. But it was the overall scoring of the nine Caloundra Cay teams that resulted in the win, and the trophy returning to its 'home' at Hemingways Country Club.

Our congrats to Greg.

Palm Lake Group was pleased to hear that Australian sporting identity Greg Norman was handpicked by Prime Minister Anthony Albanese to join the board organising the 2032 Brisbane Olympic and Paralympic Games. Greg Norman Golf Course Design was the team behind the original Pelican Waters Golf Course layout and they also helped our local team reconfigure the course to make way for Palm Lake Resort Pelican Waters. Greg is a supporter of the Palm Lake Group and we couldn't think of anyone more perfectly suited to this Olympic role. We send our congratulations to Greg and look forward to hosting him at Pelican Waters for a round, when he's in town.

Bravo Barnacles!

Palm Lake Resort Barga's "Palm Lake Singers" is a choir formed by the resort's homeowners. This choir's male members have formed an additional separate choir group called "The Barnacles". Pictured above, the group stopped by Palm Lake Care Barga recently and made a huge impression on the very grateful audience. We love seeing our homeowners involved in inter-resort events but it's just as great to see our resort homeowners and aged care communities coming together for mutual benefit. Bravo Barnacles!

Tell us what's happening over your back fence.

Has your resort got a warm and fuzzy "Over the back fence" story to share with the whole Palm Lake Resort group? Are you and/or your neighbours doing something special that you're proud of - and you know we'd be proud of too? We'd love to hear from you and include your story in these pages in the next editions of all our resort newsletters.
