Welcome.

Welcome to the latest edition of our Palm Lake Resort Eagleby Heights newsletter, the Eagleby Star.

With the cooler weather coming, now is the time to pull out your jumpers, throw blankets and anything else you need to keep warm. Winter is on its way!

The night time temperatures are getting below 16 degrees Celsius, which means we will be putting the covers on the indoor heated pool. These normally go on around 4pm and are taken off when I check the pools around 6am.

We have seen a number of homes getting replacement roofs due to the hail damage last year. If you are putting on a new roof, please let the office know. We need the date and the roofers details prior to the work being carried out.

Thank you to our many volunteers, who work so hard in all areas of the resort – whether it's helping in the kitchens, helping on the bowling green, helping in the library, helping behind the bar or driving the buses, we appreciate your hard work. This resort is a better place because of all that our volunteers do. Well done.

See you around the resort,

Michaela Gee

Meet your neighbour

Get to know some of the friendly faces who call our resort home. In this instalment, we're introducing Carol Kent.

How long have you been living in the resort? Since 2007, I think. Back then, the resort was owned by Lifestyle – Palm Lake Resort bought it in 2008/2009. I moved from Palm Lake Resort Deception Bay to come to Eagleby.

What's your favourite event or activity in the resort? That would be water aerobics and dancing.
What's one thing that you are grateful for? My good health.
What's something that always makes your day better? Having lots of good friends here on the resort – there's always someone to talk to.

What is your favourite place you have visited, and why? Easy, Caloundra. I have lots of memories there.

What did you do for work before retiring? I was a clerical cashier in Newcastle, NSW.

Bulk billing skin clinic doctors

Dr Brent Paine and Dr Jeffrey Yu, working from Mount Warren Park Medical Centre, offer bulk billing and are now seeing new patients for skin checks. Please call their reception on 3807 8588 to make an appointment.

Salon specials

Visit our salon in April and receive three free foils with any colour service. Then, in May, receive a style cut, treatment, blow dry and eyebrow wax or tint for just \$55.95.

Medical & Disability Aids Register

A number of homeowners have asked me if I know of anyone who can lend them equipment for them to use after having a knee or hip operation. Through the generosity of our residents, I have made up an extensive list for anyone needing to loan this equipment. If you need anything after an operation, contact me and I will put you in touch with the owner of whatever it is that you require.

Get social with us

Are you on social media? Make sure you follow Palm Lake Resort on Facebook (@palllakeresort) and also over on Instagram (@pall.lake.resort) to see what's happening right across our dozens of Palm Lake Resort locations. We also feature many warm-and-fuzzy stories from our seven Palm Lake Care aged caring communities on both social platforms (@pall.lake.care). With more than 12,000 people calling a Palm Lake address home, there's always loads going on!

On the social scene.

‘Gifts Galore’ sales tables visited the Summer House and from the sales, we were able to add \$40 worth of gifts to the growing Biggest Morning Tea raffle on May 31. I have already been given items from residents and groups for the raffle also. It is going to be gigantic!

Tony Hunter has advised that the ever popular ‘Resident’s Concert/Talent Show’ will be back again on Saturday May 30 at the Summer House. Di Fahrenhorst is also organising a concert put on by homeowners for the end of the year.

The Easter chocolate raffles raised almost \$500. Thanks to David, Shirley, Loretta and helpers for this great effort.

Our Anzac Sunday was a wonderful afternoon, when our ex-servicemen were recognised with readings, songs and speeches. A sausage sizzle followed. Huge thanks to organisers Kath and Linda, singers John and Linda, the ex-servicemen who did official readings, Chef Peter and helper Rowena, the ladies in the kitchen, the bar staff and any others who took part in some way.

May was jam packed with events, including four music nights. Our own ReZident Band rocked the Summer House to a big crowd, and Roc Doc had a great night at Lakeview. We also had homeowner Phil’s karaoke night, followed by ‘Floorburners’. The Cancer Council breakfast and the Biggest Morning Tea also took place, with raffles, a visit from MP Rowan Holzberger, and the residents concert/talent show.

Our monthly bus trips remain very popular. We have two resort buses that travel to different interesting areas, with a stop for

lunch (at your own cost). Our last one went to the Hinze Dam and our most recent one was to Macleay Island. Thanks to Sheila W for organizing these – and to the volunteer drivers.

Our new Club 272 Morning Tea group started in the last few months with 45 residents attending. They will continue every month, with a talk given by different residents monthly as well.

Looking ahead the Garden Club will have a special speaker at their meeting on June 5 – Carol Kerkin, a local grower. There will be a Mexican night at Lakeview on June 12 with entertainer Russell White. On Monday June 22, the Home Owners General Meeting will take place at the Summer House. July will see a visit from our local councillor Karen Murphy, a morning tea on Friday July 10, and a dance concert at the Summer House (with Morse Code & the Secret Squirrels) on July 5. The Lakeview will also have Christmas in July with Brett Patman on July 10, and karaoke with homeowner Phil on July 31.

FYI: I have changed my e-mail to a new address (annshannon146@gmail.com) and lost quite a few e-mail addresses in the process. If you are not receiving your usual weekly ‘Resort News’ email, please let me know.

Ann Shannon
HOA Vice President/Social Co-ordinator

From the HOA.

The primary role of the committee is to engage with resort management to escalate homeowner issues raised that have not been addressed satisfactorily. Any concerns must be raised with the caretaker before being brought to the HOA – however, we cannot always have a good result. The withdrawal of the hard waste collection service is a case in point.

The committee also supports, with the help of many volunteers, a myriad of social activities. Planning for future events is well underway with concerts, shows, a big morning tea and Melbourne Cup lunches all in the pipeline. When you consider the variety of activities available, you understand the level of volunteer support that is essential. Thank you to all volunteers.

We have replaced the bar fridges in the Lakeview clubhouse. Failures were becoming more frequent, and the fridges were at the end of their working life (maybe a bit like some of us?). Thanks to our treasurer David, provision had been made within our accounts to accommodate this expenditure.

After a proposal from the Bowls Club, the HOA agreed to provide 25 percent of the cost for a permanent roof extension to the clubhouse. This will allow members to sit behind the tennis court even in rainy weather. The bowls club will pay 25 percent, and management 50 percent. A good outcome for all.

We are only able to fund these items because of the takings at the Lakeview bar. Please consider participating in the Friday night frivolities – not only is the entertainment enjoyable and the company of other residents stimulating but proceeds from the bar fund many activities around the resort.

Residents are reminded that under QLD Legislation, all existing private homes, townhouses, units and manufactured homes require interconnected photoelectric smoke alarms installed by January 1, 2027. All registered caravans and motorhomes must also be fitted with a photoelectric smoke alarm. ‘Interconnected compliant smoke alarms’ means when one goes off, they all go off. I do know many residents have updated their smoke alarms, but if you have not you have a few months to do so. Quite apart from the legislated directive, it is certainly a safety aspect we do need to comply with.

Bob Beattie, President

News from the bowls club.

At the time of writing, we are in the second week of May and our bowlers have been extremely busy, playing bowls nearly every day. Since my last report, we have had numerous competitions running, as well as our usual games. Our Resort Challenge Gold Team started on March 23 and our Silver Team started on April 13. These games are played every Monday until the May 25. Currently, the Gold Team is in second place, and the Silver Team is in third place. The competition is ongoing, so in our next report we will let you know how we finished up.

Our Mixed Pairs Competition Final, which was held on April 5, was won by Roly Fahrenhorst and Margaret Reeves against Brian Rumble and Lorna Towers. Congratulations to you all! It was a terrific game to watch, and we were pleased to see plenty of spectators.

Our next competition is our Ladies “B” Grade which will start on June 14, so ladies, start practicing – time is running out to brush up on your skills.

On May 2 we held our Memorial Day, where we paused to remember all the members we have lost over the years – the many people who have touched us in one way or another. They taught us to live with integrity, to love with all our hearts, and to find joy in the simple things in life. Though we miss them dearly, we take comfort in knowing that their legacy will live on through the countless people they have touched. May they all rest in peace. A game of bowls followed, with a hot dog and ice cream.

On May 6, we played for the Beachmere Bay-Eagleby Palm Lake Cup. It was a great day of bowls which we won comfortably. This was followed by a very tasty lunch and dessert, made by our catering crew. Well done everyone!

“Make-A-Wish Foundation” Charity Day is our next major event, coming up on May 17. We will have representatives of the foundation attending to receive a \$2,000 donation which has been donated by Ross and Margaret Reeves. Ross and Margaret will also be donating \$1,000 in prize money for the players of the bowls game to follow. This should be an exceptional day, with hamburgers and an ice cream after the game. A special thank you to Ross and Margaret.

Our “Patrons Day” follows on May 29, sponsored by our Patron Joan Bailey. Another big day on our calendar.

An update on our leaky roof over the bowls green: the insurance company organised for the roof to be patched, which has stopped the leaks damaging the green any further until the roof is repaired properly.

I would also like to thank everyone including Palm Lake Resort, our Homeowners Committee and the homeowners for agreeing on and voting for a roof over the astroturf area near the barbeque at the bowls club. This is something we have wanted for a long time. It is currently going through Council, so once it is approved, the builders can go ahead.

Lastly, why not join us on Saturday afternoon for some fun and to socialise? Our Happy Hour starts at 3.30pm, and we have a lucky members draw, Bingo Bonanza and raffles. All our residents are welcome!

See you on the green,

Rowena Milivojevic
Vice President
Eagleby Heights Social Bowls Club

Pool report.

Hey there all you pooligans!

The weather is starting to turn over to the cooler side, which means more indoor activities. Luckily, there is such an activity that one can do is indoors, which enables a lot of low impact walking, chair sit-ups, and elbow bending. That’s right, the Palm Lake Resort Eagleby Heights pool club weekly gathering every Saturday at noon.

If you do not have a pool cue, don’t sweat it, there are several you can use at the Lakeview pool tables. We have three first class tables and you are guaranteed five games with the winning team taking the prize.

Come along for a game, chat or even just watch the horse go around in circles on the big screen. See you there!

Travel through time.

AUSTRALIA'S BUSTLING COASTAL CAPITALS TEND TO GET ALL THE SPOTLIGHT, BUT THERE'S A LOT TO BE SAID FOR PLACES WHERE THINGS MOVE A LITTLE SLOWER. IF YOU'RE PLANNING YOUR NEXT ROAD TRIP, WHY NOT STEP BACK IN TIME WITH A VISIT TO ONE OF AUSTRALIA'S BEST HISTORIC TOWNS?

What makes a town historic? Not just any old place (literally) can make the cut. The best historic towns combine both age and atmosphere. We're talking towns, not cities – generally under 15,000 people – where heritage buildings aren't just dotted around, but define the heart of town. Think preserved streetscapes, pubs that have been pouring since the 1800s, and post offices, courthouses and churches from the earliest days of settlement. Here are some of Australia's best...

Charleville, Queensland

If you're looking for classic outback charm – wide streets, federation-era buildings and a strong railway history – look no further than Charleville. Explore its rich heritage at the historic railway station or the remnants of the top secret WWII base (operated by the US Air Force), stargaze at the Cosmos Centre, and extend your stay at one of the historic Hotel Corones or classic Warrego Motel.

Charters Towers, Queensland

Walking down the main streets of Charters Towers, it's easy to believe it was once one of Australia's richest gold rush towns. From the grand Stock Exchange Arcade (Charters Towers is home to one of the world's first regional stock exchanges) and towering bank buildings to the old-school pubs with their classic verandah dining, Charters Towers may be just 90 minutes from Townsville – but it feels like a step back in time.

Braidwood, New South Wales

Many towns have a heritage-listed building or two, but few are heritage-listed in their entirety – that's what makes Braidwood so special. Established in the mid-1800s, Braidwood has become a popular tourist destination – not only for its rich history, but its slightly bohemian feel, too. Browse the bakeries and boutiques, hunt for antiques, and soak up the charm of small-town life (and all just one hour from Canberra).

Morpeth, New South Wales

Established in the early 1800s, this historic river port has been beautifully preserved over time – even despite its decline with the arrival of the railway in the late 19th century. Now, a stroll through Morpeth isn't complete without a visit to the old wharf precinct, a peak inside its sandstone buildings or a stop at the Historic Arnott Bakehouse.

Berrima, New South Wales

Boasting one of New South Wales' most intact colonial streetscapes, and Australia's oldest continually licensed pub (the Surveyor General Inn, established in 1834), Berrima is a must-visit if you're exploring the picturesque Southern Highlands. Visit the historic courthouse and Berrima Gaol, shop for antiques and artisan goods, and find out why Berrima has been frozen in time since the late 1800s.

Beechworth, Victoria

What sets a gold rush town apart from the rest? Some Ned Kelly lore, that's what. Beechworth was the site of Ned Kelly's 1880 trial, meaning a visit to its historic courthouse and 30-plus National Trust-listed buildings is a must-do when you're in town. Find out why they say that Beechworth's paths were paved with gold, then explore its darker history with a ghost tour you won't soon forget.

Port Fairy, Victoria

It doesn't get much more charming than Port Fairy, Victoria's heritage fishing village. Beginning as a whaling station in the 1830s, and becoming one of the country's busiest ports two decades later, Port Fairy has retained more than 50 National Trust-classified buildings. Walk the wharf, admiring its whitewashed cottages, and take in the sea air at a waterside pub. The perfect end to a Great Ocean Road adventure.

Bright, Victoria

Once a thriving gold rush town, nowadays, Bright shines for a different reason – the vivid autumn leaves that line its quaint streets. Close to Mount Hotham, it's the perfect place to go if you're looking for an alpine escape – especially one that includes cosy cafes, a strong brewery scene and rewarding rail trails.

Hahndorf, South Australia

Unique Hahndorf was established in the 1830s by German Lutherans, making it Australia's oldest surviving German settlement. Nestled near the Adelaide Hills wine region, its famous for its 19th century Prussian architecture and delicious German fare, meaning Aussies don't need to travel to Hanover to indulge in authentic schnitzel or pretzels.

Richmond, Tasmania

Tasmania is rich in history, but the fittingly-named Richmond is one of its most famous villages – for good reason. Dating back to the 1820s, when it began as a convict-era garrison town (military outpost), Richmond's streetscape hasn't changed all that much since then. Pay a visit to Australia's oldest stone bridge, one of the country's oldest gaols, and the many cosy tearooms and shops in the town's centre.

York, Western Australia

Western Australia's oldest inland town – with one of the state's best heritage main streets – York was a key stop en route to the 1890s goldfields boom. Set in the beautiful Avon Valley, about an hour and a half from Perth, it provides the perfect day trip destination: country pubs, wildflowers, and heritage stays if you can't bear to leave just yet.

New Norcia, Western Australia

Founded in 1847 by Spanish Benedictine monks, New Norcia is Australia's only monastic town. It was first developed as a mission, but has bloomed into a religious and cultural centre in the decades since. Quiet, contemplative and honestly surreal, its distinct European architecture and classic outback setting make it well worth the two-hour drive from Perth.

Over the back fence.

THE PALM LAKE GROUP SPANS 27 RESORT ADDRESSES ACROSS THREE STATES AND SOME 12,000 PEOPLE CALL PALM LAKE GROUP HOME, SO THERE IS ALWAYS PLENTY OF GOOD NEWS AROUND OUR GROUNDS.

AN EVENING
WE WON'T SOON
FORGET!

Truganina bowls us over!

Our **Palm Lake Resort Trugagina** bowlers delivered an outstanding performance during the most recent pennant season, achieving not one but two premierships wins, along with two runner-up finishes. Well done to everyone involved – a great team effort!

Trauma teddies go overseas.

Ladies from the **Palm Lake Resort Hervey Bay** knitting and craft group have been producing these adorable 'trauma teddies' for the local Urangan Branch of the QCWA. The best part? The teddies have been sent to Indonesia, so that they can be distributed among flood-affected children.

Le dîner en blanc.

Over a year ago, the **Palm Lake Resort Forster Lakes** community was deeply moved by the story of a young boy's brave battle with brain cancer – especially since the young boy's grandparents call the resort home. Immediately, one question was on everyone's lips: 'Le Dîner en Blanc' (a "White Dinner"). The global phenomenon began in Paris in 1988, but has since spread across 85 cities – and now, Palm Lake Resort Forster Lakes.

The 'White Dinner Working Group' spent months planning how to bring their vision to life, holding top-secret meetings to plan every last detail, right down to the elaborate white tablescapes. Without those dedicated volunteers crafting floral arrangements, managing entertainment and handling set up and pack down, the night couldn't have taken place – nor been so successful.

When the night of the dinner finally arrived, it was more than just a visual spectacle – it was a show of community. Homeowners came together, forging new friendships and strengthening existing ones, and all for an excellent cause.

The night was an overwhelming success, and now a new question is being asked: "When is the next one?".

We look forward to seeing this become a much-anticipated tradition, not just to come together as a resort, but to support the grandchildren and families within our special community.

Living the high life.

Our homeowners love living in luxury – and having a laugh! At **Palm Lake Resort Carindale**, a newly-created lounge area has quickly been dubbed 'The Qantas Lounge', and homeowners love using it for downtime, church group and coffee catch-ups. One talented homeowner has even created a wooden sign! Meanwhile, at **Palm Lake Resort Yamba**, homeowners have established an exclusive 'corporate box' (dubbed Bay 13, just like at the Melbourne Cricket Ground), and it's the perfect place to watch pickleball games on the new court.

Cooking for a cause.

Our **Palm Lake Resort Bargara** homeowners regularly join forces with the QCWA Bundaberg Branch members to cook for those in need – and have a lot of fun in the process! Recently, on one day alone, the group cooked enough lasagne and cottage pie to serve 174 people. Thanks for caring for your community, one meal at a time!

Friendly rivalry.

There's nothing quite like a bit of friendly competition to bring Palm Lake Resort communities together – and four of our locations have been doing just that!

Palm Lake Resorts Beachmere Sands and **Beachmere Bay** went head-to-head in their bi-annual intervillage lawn bowls competition on March 29. Despite a windy lead-up, the day delivered fine conditions and plenty of entertaining play. Beachmere Bay took home the win, but both teams could put aside their rivalry to celebrate together over burgers and a cold beer in The Sands clubhouse. Rumour has it The Sands are already sharpening up for the next round – watch this space!

Meanwhile, **Palm Lake Resorts Tea Gardens** and **Forster Lakes** teed off in their annual golf challenge. The tournament is played across four games using the Stableford scoring system – and this was the first. Forster Lakes claimed the day's honours, with a combined score of 230 points to Tea Gardens' 218. Jo Nolan of Forster Lakes was the standout individual performer with an impressive 41 points. The next round is set for Hawks Nest Golf Club on July 20.

We love our staff!

The **Palm Lake Resort Toowoomba** Social Committee put on a morning tea on behalf of all the homeowners to show their appreciation for their staff – much to everyone's delight! Homeowner Leanne Day put together a wonderful slideshow of images of the resort, and performed some songs to compliment them.

What's over your back fence?

Has your resort got a warm and fuzzy "Over the back fence" story to share with the whole Palm Lake Resort group? We'd love to include it in the next editions of our resort newsletters. **Simply contact your Caretakers or email the details to Belinda at belinda@bellepr.com**
