Pictured: Save this date: April 22.
It'll be the day for our inter-resort bowls and tennis competition
against our 'cousins' at Palm Lake Resort Bargara.

Welcome.

Welcome to another edition of our *Bay Breeze* newsletter! We've enjoyed a warm welcome to Palm Lake Resort Hervey Bay over the past few months and we feel like we are really gaining some traction now.

Around the grounds, it's been a busy time for the grounds staff as they completed some very timely work on clearing out the stormwater drains and the Country Club guttering, while also installing additional drainage around the Country Club to prevent any repeat of last year's floodwater through the building. With all the rain we've had, the gardens and lawns are looking lovely though, don't you agree?

There's been a raft of sports-related news across the resort. Firstly, we've welcomed a new Bowls Club Committee for 2026. Members include:

- Betty Eason
- Pauline Frost
- John Higgins
- Prue Lovell
- Harold Self
- Bill Smith

We must also send our thanks to those Bowls Committee members retiring from their positions this year, including Vince Torpey and Bob Walker. Thank you both for your service to the game here at our resort and beyond.

Our AFL and NRL Tipping Competitions have also started, with the beginning of each code's season. Good luck to everyone taking part. We can't wait to see which homeowners come out on top in September!

Finally, make sure you save this date: Wednesday, April 22. Palm Lake Resort Bargara will take on our Palm Lake Resort Hervey Bay homeowners in games of tennis and lawn bowls. It'll be interesting to see which resort is victorious. But the day is not all about the sporting competition as there will be a lunch and entertainment as well. We think the social aspect of this day will be the real winner!

Cut flowers 101.

Roses

One of the oldest known flowers, roses have been used in recipes, cosmetics and rituals for millennia – so naturally, there is a lot of lore that surrounds them. But ‘floriography’ (communication through flower colours and arrangements) is actually quite simple when it comes to roses and what they symbolise: red means love, yellow means friendship and white means purity. **Keep them fresh:** For longer-lasting roses, trim stems on an angle and change the vase water every two days.

Tulips

Originating from central Asia, tulips get their name from the Persian word for turban (‘dulband’ or ‘tulbend’) for their shape. And they’re not just beautiful – for a moment, in the Netherlands in the 17th Century, ‘Tulip Mania’ made rare tulip bulbs more valuable than gold. **Keep them fresh:** Tulips continue to grow after being cut, so choose a taller vase and trim stems regularly.

Hydrangeas

Originating in Japan and Korea, hydrangeas are as exotic as they are beautiful. Like roses, their colours signify different meanings – pink means love, blue means forgiveness, white is boastful and purple brings abundance or understanding. **Keep them fresh:** Hydrangeas are thirsty flowers – keep the vase topped up and mist the blooms to prevent drooping.

Lilies

Lilies have maintained their position as one of the most popular flowers since ancient times. As symbols of purity and rebirth, lilies were historically associated with the divine and used in religious ceremonies. Nowadays, you’re more likely to see them at weddings. They typically last one to two weeks in a vase but beware of fallen pollen and leaves: lilies are highly poisonous for pets if ingested. **Keep them fresh:** Remove the pollen stamens as the flowers open to prevent stains and help blooms last longer.

Chrysanthemums

Chrysanthemums originated in ancient China as early as the 15th Century BC and also have roots (pun intended) in ancient Greece. In Australia, chrysanthemums are often given for friendship and on Mother’s Day. Did you know that their scent

FRESH FLOWERS ARE THE PERFECT WAY TO MAKE YOUR PALM LAKE RESORT HOME FEEL ALIVE. CONSIDER THIS YOUR OFFICIAL GUIDE TO THE VERY BEST CUT BLOOMS – AND OUR TOP TIPS TO KEEP THEM LOOKING FRESH.

can deter insects? All the more reason to include this easy-to-care-for flower in your home. **Keep them fresh:** One of the longest-lasting cut flowers, they can stay fresh for two weeks.

Dahlias

The national flower of Mexico, dahlias were once cultivated by the Aztecs – not just for their beauty, but for food and medicinal purposes. In fact, they were thought to be vegetables when they were first introduced to Europe. But their versatility doesn’t stop here: dahlia stems were once tested as natural water pipes in Mexico, and their petals have long been used as natural dyes. **Keep them fresh:** Dahlias are best bought open, as they won’t continue blooming once cut.

Peonies

When properly cared for, peonies can live for 100 years – a good omen, since they’re also symbols of prosperity, fortune and romance. In fact, there is a famous 1000-year-old peony tree that still flowers in China. Fun fact: the correct pronunciation is more like ‘peer-knee’ than ‘pee-oh-knee’. **Keep them fresh:** Peonies have a short season in Australia – usually late spring – so enjoy them while they’re available.

Carnations

Carnations are distinctive for their ruffled, fringed petals. Native to the Mediterranean region, the name carnation has several possible origins – the Latin word ‘corona’ (crown) for its use in ceremonial wreaths, or ‘caro’ (flesh), a nod to its natural colour. Often associated with love and admiration, carnations are popular around Mother’s Day and Valentine’s Day. **Keep them fresh:** Carnations are hardy, often lasting two weeks or more with fresh water and trimmed stems.

Orchids

They’re part of one of the largest flowering plant families, with over 28,000 species – and 192,000 hybrids – worldwide. In fact, orchids are more diverse than all mammal species combined. The most common types include moth orchids, corsage orchids and cymbidium orchids, all of which are popular in both fashion and home styling. Eager to grow your own orchids? Quality potting mix and a consistent watering schedule matter. **Keep them fresh:** Potted orchids thrive in bright, indirect light and only need watering once a week.

Over the back fence.

THE PALM LAKE GROUP SPANS 27 RESORT ADDRESSES ACROSS THREE STATES AND SOME 12,000 PEOPLE CALL PALM LAKE GROUP HOME, SO THERE IS ALWAYS PLENTY OF GOOD NEWS AROUND OUR GROUNDS.

Caretakers make the Palm Lake world go 'round!

Every Palm Lake Resort community has an onsite Caretaker (or two) at the helm, managing the day-to-day operations at that address. They oversee local teams of groundspeople, cleaners, cooks and more. Many Caretakers in our established resort communities also facilitate home sales, while also rolling up their sleeves when it comes to serving weekly dinners, for example. They are the first port of call for homeowner queries and oversee all the various local resort special interest groups. They are also an important conduit between Palm Lake Resort headquarters at Southport and their respective local address. They are the glue that holds each of the country's 27 resorts together.

As Palm Lake Group's Executive Manager, People & Operations, Amanda Clements says, "We are very grateful to have a wonderful group of dedicated and long-time Caretakers across our 27 resort addresses". And when she says "long time" – she means it.

For example, Lea has spent most of her 17+ years with the company in the Caretaker role across Victoria but moved into a sales role at **Willow Lodge** more recently. She and (late) husband, Peter, were Caretakers together at **Phillip Island** for 13+ years before Peter's illness (pictured above).

"For all the years we were at Phillip Island we were it – sales and Caretaking – we did the lot," Lea smiles. "Our motto was to show compassion and give the homeowners the time they needed, and to listen. But above all, our aim was always to leave them with a smile on their faces.

"Peter and I built great relationships with our homeowners and helped them as much as we could while always being mindful there was that line, as Caretakers, we couldn't cross. I still live at Phillip Island and see some of the homeowners down the street – they always stop to say hello, and it feels great that we are both still remembered at the Phillip Island resort."

Lea says her advice to new Caretakers and those looking to join the company in this role, is simply to listen. Always.

"A problem that seems small to us can be huge for a homeowner – also, you should never forget that everyone at Head Office and all our fellow Caretakers are always

there to answer any questions you may have – you don't have to do it all on your own.

"When we joined Palm Lake Resort back in 2008, the company was much smaller. I am still in awe of the growth of the company that Wal Elliott founded all those years ago. I have always felt that under the guidance of Wal and Scott Elliott we are one big family – a family that I am happy and grateful to still be a part of. Work has been my saviour. And hopefully I still have a few working years left in me!"

Caretaker Michaela at **Palm Lake Resort Eagleby Heights** is also coming up to 17 years with the company. Caretakers at **Mt Warren Park**, Trish and Rik, will soon commemorate 14 years, while Wayne and Di (**Banora Point**) and Robyn and Bernie (**Yamba**) have all marked a decade or more.

With nine years in the company, current **Palm Lake Resort Paynesville** Caretakers Jo and Troy were married while caretaking at our **Truganina** resort some years back. Jo gave her beloved homeowners a glimpse into the highly anticipated wedding day by coming into work in her wedding dress! And we know that many of our long-time Caretakers are well respected by their communities based on the feedback we hear direct from those homeowners. At **Palm Lake Resort Carindale** for example, the homeowners got together last year and created a 'contract' that they presented to Caretakers Karen and Wayne stating that "The undersigned are committed to us at Palm Lake Resort Carindale and will never leave!". The pair were "so touched" by the gesture, that Karen says, "Of course we put our autographs on that document!"

Honourable mentions must also go to the following Caretakers who've marked 5+ years in the role:

- Ron and Jo (**Fern Bay**): 7 years
- Karen and Mark (**Toowoomba**): 6 years
- Tracey and Bryce (**Forster Lakes**): 5 years
- Kym (**Yamba Cove**): 5 years
- Phil and Lyn (**Deception Bay**): 5 years

Without doubt, Caretakers underpin the success of our Palm Lake Resort communities and we're grateful to have them onboard!

Love is in the air.

Palm Lake Resort Forster Lakes has hosted lawn bowls games, Happy Hours, and now... a wedding! Jessica Nye, daughter of homeowners Steve and Linda, wed her groom, Haylan, at Forster Lakes' Reception Centre in front of their special people (pictured below left). Over at **Palm Lake Resort Waterford**, Roy and Trish (pictured below right) utilised the lush green grounds of their resort to be officially wedded. We wish all the Palm Lake newlyweds wonderful marriages and rewarding lives together!

Tai chi champions.

Congratulations to **Palm Lake Resort Mt Warren Park**, who were the grand winners of the 2025 Inter-Resorts Tai Chi Competition. With steady hands, great teamwork and plenty of laughs, they won with a grand total of 5903 points (beating second-place team's 4480 by a wide margin). "They showed obvious skill and determination, with lots of laughs, to come out on top," says the instructor on the day. And spoiler alert: they're already leading the 2026 competition!

Paws on parade.

A group of **Palm Lake Resort Bargara** homeowners have started walking their dogs over to Palm Lake Care Bargara each month to let the care residents enjoy some friendly canine company and pet therapy. Everyone loves patting the doggos and chatting with the visitors – though few are as excited as the dogs themselves!

It takes a village.

Palm Lake Resort Cooroy-Noosa's latest cent auction raised over \$3100, with the majority going to Uniforms 4 Kids (U4K) – an organisation which repurposes pre-loved uniforms into clothes for children in need.

"Thank you, thank you, thank you to everyone who helped with, attended and donated goods to the cent auction," said organiser and homeowner Yvonne Pattinson. "The sewing ladies truly did themselves proud with the beautiful food. I'm sure everyone had a great day."

The impact of this fundraising is already being felt well beyond the local community. According to a statement from the Queensland Police Service, Cooroy U4K volunteers have worked tirelessly to prepare 40 boxes of essentials for Queensland families. The boxes contained an extraordinary 3200 handmade clothing items, lovingly transformed from repurposed police uniforms into dresses, skirts, shorts, baby clothes, hair accessories, scrunchies, pencil cases and library bags. The boxes were also filled with generously donated items such as baby socks, beanies, small bags of LEGO parts, stationery, bracelets, toys and tissues.

Must love dogs.

The very first **Palm Lake Resort Toowoomba** dog show brought homeowners and their four-legged friends together for a day of laughter, wagging tails and the occasional bark of excitement. Sponsored by the Palm Lake Group, the inaugural event was such a success that it's set to become an annual tradition.

What's over your back fence?

Has your resort got a warm and fuzzy "Over the back fence" story to share with the whole Palm Lake Resort group? We'd love to include it in the next editions of our resort newsletters. **Simply contact your Caretakers or email the details to Belinda at belinda@bellepr.com**

Connect,
