Welcome

Welcome to Waves – our regular newsletter to keep you updated on all things Palm Lake Resort Yamba Cove. Well, we've been thoroughly enjoying the festive nature of the summer holiday season here at Yamba Cove along with our homeowners and their many visitors. With guest numbers swelling over summer, our resort facilities really shone. We could see the pride in our homeowners' faces as they toured their guests through our Vantage Country Club and maybe enjoyed a dip in the pool or a game of tenpin bowling together. With low-maintenance designer homes that are big on space, there's plenty of room for homeowners to accommodate their guests, but equally, our country club is an extension of every abode so the hosting comes easy!

We're excited to share that there are just two homes left without contracts in Stage 1B and 90 per cent of our Stage 2A homes are already spoken for! With enquiries aplenty, we have now unveiled our brand new 'Pippi' home design, which is available to buy off the plan. The Pippi features two bedrooms, two bathrooms and a double lock-up garage and you can learn more about it on Pages 4-5. These homes will be ready in mid-2026. That timing gives you plenty of opportunity to put your current home on the market, sell comfortably without stress, and plan your move to Yamba Cove at your own pace. Buying off the plan means you can secure your future lifestyle now, relax knowing everything is in place, and simply look forward to moving into your brand-new home at Yamba Cove when the time is right.

If you've been thinking about a stylish seachange into an over-50s lifestyle resort, Yamba Cove is definitely worth a visit. It's not uncommon for new homeowners to tell us they wish they'd made the move sooner! We encourage you to stop by, have a look around and see if Yamba Cove feels right for you. We'd love to see you soon.

Come running, with us!

Did you know that Yamba's local 'parkrun' event is hosted every Saturday at 7am? Parkrun is a free, fun and friendly 5km community event. Participants can either walk, jog or run the course, and you can also volunteer or even just spectate – it's up to you! The event takes place from Ford Park, which is on River Street at Yamba. It's free to join in but you should register online before you go along on your first run. Once registered on the parkrun website, don't forget to bring a copy of your scannable barcode - if you forget it, you won't get a time. Please note: You don't need to be fast - participants take part for their own enjoyment! If you're interested in volunteering at parkrun, email yamba@parkrun.com And don't forget: Every week, participants grab a post-parkrun coffee in Yamba so make sure you join in on that as well! It's a great way to get to know some new and likeminded people.

Discover our Pippi

HAVE YOU SEEN OUR NEW SINGLE-STOREY HOME DESIGN, 'PIPPI'? IT'S ONE OF A TRIO OF HOME DESIGNS HERE AT YAMBA COVE THAT KEEP EVERYTHING ON THE ONE LEVEL

WITH HOMES FROM \$999,000 YAMBA COVE IS 60% SOLD!

Our Pippi design measures 185.66m² (19.98 squares) and offers two bedrooms, two bathrooms and a two-car garage with undercover alfresco entertaining space as well. The design was named after Pippi Beach, a gorgeous stretch of white sand on the southern exposed side of Yamba's beachfront. The southern end of Pippi Beach is a leash free-area for dogs and therefore a beloved morning walk routine for Yamba locals of both the two- and four-legged variety!

As you approach our Pippi design home, you are greeted by a modern façade offering timber-look feature screens, gorgeous stone cladding and an architectural parapet that guides you into the covered porch. The master suite is

located immediately upon entry, designed to separate it from the busier living areas that are found at the rear of this home. The master offers an ample walk-through robe and ensuite bringing equal levels of comfort and privacy.

Further down the entry hall, you'll find the main bathroom on one side and a large laundry on the other side with a handy linen cupboard and direct outdoor access.

Monique says she loves Pippi's separate dining room. It's adjacent the kitchen while also overlooking the rear alfresco area, which can be directly accessed by large glass sliding doors. With the glass sliders on both sides of the alfresco wide open, there's a seamless transition from indoors to outdoors - perfect for the coastal climate

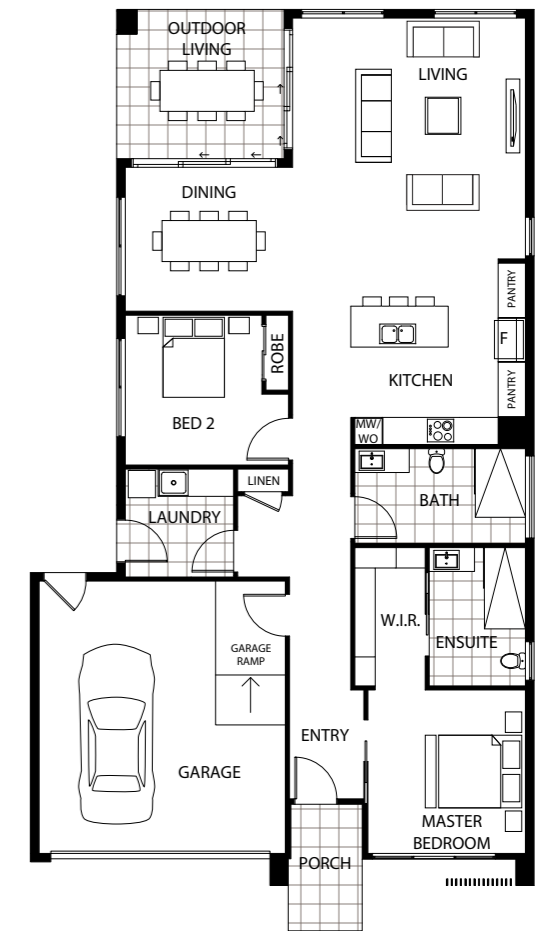

here. But she says one of the biggest selling points for this design is its location on the masterplan.

"All of our Pippi homesites - as well as the single-storey Angourie designs - are located on the perimeter of our property and back onto trees," she explains. "That means these homeowners will have no rear neighbours and ultimate privacy."

Monique encouraged those buyers interested in a single-storey design to contact the Sales Information Centre and find out more. With limited opportunity to secure one of these new designs, in their private bushland setting, you'll have to act quickly. Phone our Sales Information Centre on 1800 960 946 for more info.

Knights make history

Pictured: Yamba Cove's 'Yamba' home design.

DAVID AND SHEENA KNIGHT TRADED IN THEIR GOLD COAST LIFESTYLE FOR OUR COASTAL OASIS, AND HAVE MADE PALM LAKE RESORT HISTORY IN THE PROCESS.

Moving into their 'Yamba' design home in recent weeks, the Knights have put their stamp on the very first single-storey home here at Yamba Cove! They'd spent the past 14 years in a unit at Coolangatta and decided that now was the right time to leave the ever-increasing hustle and bustle for a quiet coastal Yamba lifestyle - and upgrade from unit life into a home with a yard while they were at it.

"David works full time as a coalminer in Emerald on a seven-days-on, seven-days-off roster," Sheena explains. "So, living in a community like this really suits me when David's at work and I'm by myself.

"Moving to Yamba Cove also means we are that little bit closer to our family on the Central Coast now, including my three-year-old grandchild. It's about a five-hour drive to them from here and I can do that by myself, whereas Coolangatta was that little bit too far."

Sheena's experience of Palm Lake Resort actually dates back some time with her parents buying at Palm Lake Resort Toowoomba around four years ago. While her dad has since passed, Sheena still travels to Toowoomba to visit her mum. Sheena says she loves how Palm Lake Resort had enhanced their lifestyle, and how it continues to support her mum.

"Palm Lake Resort Toowoomba is great but we are private people and we loved the idea of how 'boutique' this resort is in size. It was a no-brainer to choose Yamba Cove for our next step."

CHRISTMAS IS A WONDERFUL TIME OF THE YEAR IN ANYONE'S BOOK, BUT ESPECIALLY WHEN YOU HAVE RESORT FACILITIES LIKE OURS AND WONDERFUL FRIENDS, LIKE OUR HOMEOWNERS.

From fairy floss-topped champagne and our exquisite meal, to the boxed chocolate take-home gifts, our homeowners enjoyed the finer things this festive season.

Caretaker's notes

HELLO ALL - WELCOME TO ANOTHER EDITION OF OUR 'WAVES' RESORT NEWSLETTER.

With the summer holidays in full swing, so too is the busiest time of the year – not only here at Palm Lake Resort Yamba Cove, but in our local community, too. The out-of-towners have been flocking to our area to enjoy our beautiful beaches and waterways, walking tracks, campgrounds, wildlife and most of all the friendly locals. We don't blame them: Who wouldn't want to spend the summer here, right?

We are about to resume our regular weekly complimentary activities after the festive break. That includes reformer and standing Pilates, aqua aerobics and bus trips. Zumba has also recently joined the activities line-up. In exciting news however, we will soon be introducing a couple of new additions to the Weekly Activities list for our homeowners. This includes 'Brush and Bubbles' classes and a pottery wheel-throwing workshop... It's all very exciting news indeed, so make sure you keep an ear out for when those new activities will get underway.

I'm also pleased to announce that the pickleball court and clubhouse are close to completion. These facilities are located at Palm Lake Resort Yamba and available to Yamba Cove homeowners to enjoy.

The rules of pickleball are simple - combining elements of tennis, badminton and table tennis - allowing beginners to pick up a paddle and enjoy a rally within minutes. The smaller court size keeps players close enough for friendly conversation and camaraderie, which works towards fostering a welcoming community atmosphere and helping build new friendships. The game definitely isn't all just about hitting a ball over a net!

We love our community here at Palm Lake Resort Yamba Cove and are so happy to see so many friendships flourishing. These really are the best years!

Check out John's new ute which has been provided for weekly waste collection. Our homeowners have also been getting out and about together - here they joined in a recent Yamba Rotary Club community walk initiative.

Pictured left: Aqua aerobics has been a popular inclusion on the Weekly Activities list over summer, helping us stay active as well as cool. And when sessions end with a little champagne and sushi, why would you say no?! This might have been a little celebration for the last session of the year, but it's also the Palm Lake Resort Yamba Cove way!
